

BiCon 2011 Session Schedule: Pre-BiCon Website Version

While we will aim to minimise disruption and changes, there will be sessions which are deleted, re-timed or more excitingly added during BiCon itself.

All changes will be announced in BiCon's "BiCon Daily" newsletter

Thursday's schedule is different from Friday, Saturday and Sundays' schedules as many attenders will be arriving throughout the day and settling in. All Thursday's scheduled sessions are ideal for first-timers or getting to know and meet new people.

Sessions with **[R]** after their title have some kind of restriction on who may attend. The BiCon handbook and large session schedule by the desk will contain details.
